“Minuteman Press is quick to respond on all our printing needs. They offer cost-saving ideas for printing projects and have exceptionally friendly delivery staff. When we have a printing need, we call Mia. She is quick, friendly and professional, always with our business in mind. She puts our plans into action and provides a fair price for our projects. Re-orders can be found easily on Minuteman’s website. We receive a personal confirmation from Don stating our order has been received, which is very helpful. Minuteman Press is an excellent and easy vendor to work with. In today’s fast paced world, with so many deadlines, it’s nice to have folks like these working with us on our printing projects...it is like they are directly working for us, which makes our job a lot easier.”
